When the Madison family bought the house across from ours on Main Road as a Summer home I was delighted to have someone near my age, Charlene, to play with and awed by her big sister, Dolly, who was so sophisticated and generous with her time, willing to take us to the Bend for a swim and a good swimmer to watch over us. I love the photo here of her and her wonderful, ready, smile.

Fond memories of Dolores and her family many years ago at the DAR state park when we took swimming lessons/Gene DeFilippo. Delores was always upbeat with a beautiful smile.

Sincerely,
