“ My favorite memory of Noni will always be the weekend visits. Audra and I would sit on the couch and watch whatever was on, or in our Dads lap and try to join in on the adult conversations we couldn't follow. The whole time we would be there she would offer us snacks and cookies, or something heartier that was always amazing. She would talk to us and make us feel welcome and when we got bored she would always know and shoo us outside to play. Noni was a wonderfully kind woman who loved all those around her and found joy wherever she was. I will miss her kindness and her generosity but most of all her smile that greeted me every time I saw her.

“ Anita was a very special person; if you were brought to her home by a family member you were treated as family. Your welcome was warm and you were fed her famous Lasagna or delicious Gnocchi! No one went away hungry. Sunday was family day and Dad and Anita welcomed all. Anita loved and treated all of the children; hers and his, as her own. I miss you so much already, but I know you are with loved ones still. My sympathies to all who love you; you will be missed.

*Love and GOD BLESS,*

*Maria Taylor*
