“ Our thoughts and prayers are with you Larry, Lennie, Deb, Shawna, Lori and family. It was an honor to be Betty's neighbor and friend. Living next door for me (April) 38 years and Bob to have grown up right next door, there are so many joyful memories and smile-inducing stories. I always knew If I ran out of sugar I could run next door and Betty would save my baking project. Bob always knew that Wednesday nights was a guarantee that Betty was home with her best friends visiting and he could walk over for a quick hello. Betty will be in my thoughts every day as I see the birds at the feeder and butterflies coming and going.
