“ Titi Carmen was always kind and cared so much for children and her family. Unfortunately, we won't be able to say goodbye to her in person today, but we will be thinking of her and her family greatly today. May she find all of her loved ones who have waited for her and that they all smile down on all of us. -Kiara

“ My beautiful sissy. I miss you already. Who's going to cook us red rice and fried chicken like you? Who's going to match my sarcasm?! Who am I going to gossip with Socorro!? Come on man. I am so proud of you! You stayed strong through it all. Your beautiful children, my nieces and nephew's, are a reflection of all your love and hard work!! Man, we all love you!! This is hard as hell. You, Daisy, and all of our loved ones that have passed, please watch over us all. We love you always! Like you always say I Love You To The Moon and Back!! 🙏🌙💕🥰 Your baby sister A.

Caremen was obedience of a kind. We were neighbors for many years when our kids were small. She always had a warm smile and great conversations. Even though I moved away, I still kept up with her posts on fb. She was so loved with such a big heart. I will miss her posts. But her legacy in her children, both biological and those she gathered throughout her life will live on. And that is the best legacy to leave...xxoo

*Dear Cousin
I miss you and always will. The small impromptu moments we shared at the football games and at Walmart were always as if we had seen each other the day before. You were always the one to count on a contagious laughter. Your departure has left a lot of us in disbelief. I can't imagine how your beautiful family must be coping at this difficult time. One thing that keeps me hopeful is the fact that your children and grandchildren will be carrying a legacy of love and the family bond you shared with all of them. While life will never be the same without your presence on Earth, we know that we have a new angel looking down on us. Fly high my beautiful cousin. Besos*
