This leaves a wound in my heart. Evelyn and I enjoyed our camping escapades at Hammondasset Beach with Charlie. And because of Charlie's experience and kindness we learned camping 🏕️ So much so we camped annually over many years. There's so much to share about Charlie's generosity, kindness and meekness I don't know where to begin. He made you feel like one of the family. Please hug Evonne for us down here. Thanks for the memories good friend. Until we meet again. Mike & Evelyn.
