“ Daisy we miss you... I feel blessed to have known and worked with Daisy. She will always be honored in the early childhood community for her commitment to children and their families. Whenever a child was in distress, they turned to Daisy's loving arms for comfort. Countless parents turned to Daisy for guidance & reassurance and she would generously help them as they found their way. Daisy truly did make a positive difference in all of our lives. Her spirit will live on at Vernon Street School.

“ *Heaven has gained an Angel. This is so hard to believe. Daisy, you were an angel who touched the lives of so many children, including my son Timi, in the then Bunny Room. As a parent, I was confident that my son was in good hands at childcare. You loved the kids as your own. You will be missed. Rest in peace in the bosom of the Lord.*

My beautiful cousin Daisy Mae, we didn't grow up together yet we have so many things in common. First of we share the same name. I think we look alike. Our beautiful mother's, Titi Ramona and mami Isabel had a beautiful and humble heart full of love and service. We shared our love for children and family. We touched so many throughout our loong teaching carreers and personal babies and family. Daisy Mae will be missed dearly but will always be in our hearts until we meet again. My heart and prayers go out to her children, grands, great grands, husband and the rest of our family. Cousin Daisy Milly
