

Dale L. Pope

July 26, 1955 - May 18, 2021

Dale Pope, 65, passed away peacefully on May 18th, 2021 in Northampton, MA. Unlike the quiet manner in which he made his exit, Dale lived life to the fullest on max volume. Armed with his father's good looks and his mother's quick wit and humor, he was the loudest guy with the best stories and the most colorful jokes on delivery. Dale was a loyal son, an intensely mischievous yet loving brother, and a memorable friend. With Dale there is his way or the highway, and a little of his way went a long way. He was a proud Navy man; a Master Plumber; a Master Gasfitter; a jack-of-all-trades; an enthusiastic artist; a ferocious reader. Finally, the man best remembered for his uncontainable zeal for life, will make his last voyage with a burial at sea by his beloved Navy. He will be sorely missed.
