“ I am so sad to learn of Diane's passing! We were friends long ago when our kids were small and we both worked at the San. We emailed each other long letters several times a year and when I emailed her on her birthday this year and didn't hear from her, I had a bad feeling. So sorry, Linda and Mike and your families and especially to beloved granddaughters and great-granddaughter Savannah.

“ *What a great smile she had. Loved her devotion to her patients and her honesty when it came down to safety for the patient as she was a true advocate for them vs administration. You be safe Diane and we got this covered. No worries now. God bless family.*
