“ Ed, or "Slim", as he was always known to me, was a good friend to my parents for many decades. I didn't realize until now that we share the same birthdate (although separated by a few years). My condolences to his family. May Slim rest easy after his full, energetic life.

So sorry to hear of your loss. I remember your dad so very well when we were kids running around your house. He was always so kind to me, it did not go unnoticed. God Bless
