“ I've known Jay for years now. He was truly one of a kind in his personality, charm and dedication to his family was unparalleled. I couldn't of asked for a better person or family man for my sister (in heart) than him. Jay has been Tina's rock and bestfriend. I'm certain right now as he stands before the Lord our Father to plea for his wife to ease the daily suffering of her disease and chronic illness. He'd also ask for his sons journey in life. That's the kind of man he was....
