“Lois, you understood me so well. I could talk to you sometimes better than I can talk to my own mother. You were a very dear friend, Lois. I shall miss you deeply.

“I remember Lios for her kindness and her sense humor. Always making us laugh. Lios cared deeply and I saw that when she cared for her sister Diane in her last month of life. Her efforts, skills, kindness and laughter will never be forgotten. She is at peace. My condolences to her daughter, grandchildren, her sisters and all of her friends and extended family.

“I remember when I was young and dumb I would run away to my Aunt Lois's house and she would make me feel safe there. I remember her picking me up when I was stranded so many times keeping me at her house making me laugh that I almost peed my pants many times. I love you, Auntie Lois you will never be forgotten. I'm glad you're at peace now and not suffering no more my heart goes out to Tara and the grandkids and of course my mother Arlene for helping so much and the rest of the family. My condolences are a P Auntie Lois.
