

## Mary Caitlin May

August 8, 1985 - July 22, 2025

It is with profound sadness that the family of Mary Caitlin May, 39, of Northampton, announces her passing on July 22, 2025, surrounded by her loving family.

She was born in Northampton on August 8, 1985, to David N. May and Linda F. (Oliver) Binney. She was raised in Easthampton and Ashfield, MA, graduating from Mohawk Regional High School in 2001. She graduated with an associates degree from GCC in 2002 and continued her studies at UMass, majoring in Biology.

Mary worked at ServiceNet in Northampton as an Outreach Coordinator. She loved her job there and was passionate about advocating for the clients she served. Before that she worked for Shelburne Falls Coffee Roasters for many years, in several capacities, but the job she loved most was managing the King Street store, where she made many longtime friends.

Mary was a brilliant young woman with many passions. She made beautiful jewelry, loved music and had a great sense of humor. She was an empath who cared deeply about the well being of others. She will be dearly missed by many.

Mary is survived by her loving parents, David N. May and Linda F. Binney, her stepfather Roy Piascik, many cherished aunts, uncles and cousins. She is also survived by many friends whom she considered her "chosen" family. (You all know who you are)

There will be a Celebration of Life on Sunday August 24, 2025, from 3-7 PM

at Maine's Field in Florence. DROZDAL FUNERAL HOME OF  
NORTHAMPTON has been entrusted with her services.

“ We are so sorry to hear of Mary’s passing and wish so much that we could be at her service. Unfortunately, we are in Denver for our daughter’s/sister’s wedding; otherwise, we would be there.

*Mary was an incredibly special and important part of our lives for the past two decades. She brought so much light, love, humor, and magic to the workplace. She was universally loved by every customer, every employee who worked alongside her, and every peer in our company. I can’t tell you how many times strangers stopped us on the streets of Northampton to share how she had made their day at the shop. She changed countless lives for the better, and we are so grateful that she chose to spend the majority of her professional life with our company.*

*We knew she had been in pain during the last few years, but we had no idea how much she was struggling. Despite that, she always came to work with her whole heart and soul, giving 100%, no matter the circumstances. We hope she found peace and comfort in the end.*

*We think of her every day, especially when we walk into the King Street store. A piece of her will always remain there—in our hearts and in the hearts of so many others, even those who never had the blessing of meeting her.*

*Please know that our thoughts and love are with all of her family during this time.*

*With deepest sympathy,  
The Lytle-Rich Family*
