“ Barbara Bonk and family, sending my condolences and prayers on the loss of Maryann. I was one of the nurses from Bakucare and always enjoyed having Maryann as one of our participants. She always had some thought-provoking questions and conversations. She also was very excited and asked to see pictures of my youngest granddaughter, Eva from the time she was born in December of 2020. right up until the time she was unable to attend the program. I retired the begining of May and was saddened to see she had passed.
