“ I worked with Millie at the Childbirth Center at Cooley Dickinson Hospital for many years. She was a mentor to me and an absolutely delightful person. She was an amazing, kind and dedicated nurse and an inspiration all of us who were fortunate to have worked beside her. She had a way about her that just made you feel good. She was exceptionally good natured and always seemed to be smiling. Thinking of her now makes me smile. I'm so sorry for your loss. Much love to you all. Trudy Hooks
