“ We've known Norma for many years, mainly through the church, where we looked forward to her beautiful smiling face on Sunday mornings at the 8:00 service. Once she joined St John's she got on committees and started cooking, such a friendly, helpful person. She has been very much missed in her back row pew at church.

I shared with Norma a stint at Highland Valley Elder Services. I did not know her well, but I appreciated what a loving, caring mother she was. Knew her through St. John's as a stalwart of our community. May she rest in peace.
