“ Katrina, Andrea, and Justin I'm so sorry for your loss. Ron truly was one of the nicest guys I've ever met. We first met at Hampshire County Long Term Care. No matter how busy he was he would always stop what he was doing and come help lift someone. He was the only guy on the the floor, so you can imagine how hard it was for him to get his work done. I will always remember his kind heart and what a great guy he was. John and I are thinking of you all.
