“ Gram was one of a kind. She took care of all of us at one time or another. Even when she was struggling herself she was always helping somebody. I'll never forget our summers in Florida, our second hand shopping & lunch days, her catching the bouquet at my wedding or the day she got me an autograph of my favorite guitar player. I'll miss her dearly but she was ready. 103 is a pretty good run! Until we meet again Gram. I hope you are surrounded by loved ones and all the kitties and doggies we loved so much. ~ Your Precious Goldilocks

With deepest condolences to Tony and family on the loss of this wonderful lady. I have many fond memories of Aunt Rose and her bus shopping trips to Springfield from her Northampton residence, and the life she and Tony Sr. shared

My thoughts are with you but I am out of the country and will not be able to make the service.

What can I say about my auntie Rose? I have so many good memories of her growing up. her and uncle Tony coming to our house every Sunday for dinner. I remember her red lipstick and her hair all done up and those open toed shoes she always wore. We always got the scoop on the new games coming out from Milton Bradley. She was the sweetest lady. I'm so glad she was my aunt. Rest in peace Auntie .
