“ I was one of Steve’s friends from Leah Hallorans Fitness (Abby). I have missed Steve these past months. Steve was such a kind and gentle man. I always enjoyed talking to him about family, music and Judaism. May he rest in peace and May his memory be a blessing for you.

Abby- Thank you. You were very special to Steve; he spoke of you often. I know you and he had been talking about a visit, and he was looking forward to seeing you. Unfortunately, his condition rapidly declined – much faster than either of us anticipated. His last week or so was really difficult for him, and sad as it sounds, I am relieved that he didn’t have to live in the condition he was for any longer.
