“ Ann, Cecilia, Joe and Stanley,

So sorry for your enormous loss. And I am sorry that I couldn't make it to the funeral. But, I always had such a high regard for your mother and really for all of you. She was a wonderful woman and me as a young person back then, always loved her smile and optimism. I didn't understand Polish, but, I remember how she radiated sunshine. I am happy to hear that she had a long life and that Ann and Joe took good care of her at the end. God bless you all. Hope we see each other at some time in the near future. Sending you all love and prayers, Benjie
