“ I worked at the Fort River School with Bill as a cherished custodian. I remember his wonderful smile, and the way he would give me a wry grin when I had arrived at school before he did. He was someone who helped the school feel like a true community, not by keeping the school clean, which he did, but by the way he cared for everyone in the school, kids and staff alike. Always a kind word, always a smile.

“ Although I haven't seen Bill since 1952 I certainly remember him as a classmate and as a member of the high school baseball team where we both played. My sincere condolences to the entire family.
